DESIGN, PROOFS AND APPROVAL

We carefully create your design to work with the specifics of your mask. Once the design is complete, we will e-mail you a high quality mock-up. After making any necessary changes, your approval of the design takes us to the next step.

5

BOOK YOUR INSTALL DATE

Once the design is approved, we pick an install date. Your mask needs to be here on that day, whether you drop it off or it gets shipped to us.

6

INSTALLATION: ONLY 1-2 DAY TURNAROUND!

Your mask design is applied. Installation time may vary depending on volume and design complexity. You may be able to have same-day pickup if your design is single layer and you drop it off yourself!

BONUS: Free removal if you bring your mask back for another wrap!

All prices are in Canadian dollars.
